Audience job

Understand one real design change without reconstructing three files.

Source r3 · no speed evidence

Coordinated explanation

180 min estimated · 7 distinct work items

Proof / demo / destination check	30 min
Core explanation	45 min
LinkedIn adaptation	20 min
Personal X adaptation	15 min
Silent demo	40 min
Exact review	15 min
Response observation	15 min

A smaller useful outcome

90 min estimated · 3 work items

Proof / destination check	30 min
Core explanation	45 min
Exact review	15 min

Deferred deliberately

Video, channel adaptations and their targets.
No invented spare capacity. No subreddit date.

Why these?

AI proposes reader fit; rules check capacity, sources and channel limits. You select the set.

Choose 90-minute plan

Accepting content work does not reserve Planner time or authorize publication.
