

Distinct quiet, loading and failure states

Focused state specimens · same visual language · no live status claims

Nothing needs you now

All known decisions are clear. Capture an idea or leave the workspace.

No matching content

Your filter found no matching records. Existing work has not disappeared.

Loading this record

D1 is selected. Its last observed revision is r2; current state is not yet known.

Save outcome unknown

Your local wording is retained. Check the original save before trying again.

No-art views preserve typography, hierarchy and useful action. Unknown is neither empty nor failed.
