Manual handoff

Example · MP2 · personal LinkedIn

Copied does not mean posted.

A URL and actual time can be recorded after you know. Any external text changes stay visible.

Still unsure keeps this outcome open; it creates no publication receipt.

Add an observation

Illustrative private note · not owner feedback

Context

Aster · draft r2 · not published

What did you actually notice?

The opening is clearer to me. I have not shown it to readers.

Basis: manual entry

Observed time: not entered

Incomplete note; no audience outcome is inferred.
